Stay in the loop

Subscribe to one of our mailing lists to stay up to date with everything in the Django community:

Using Django

Get help with Django and follow announcements.
You can also subscribe by sending an email to django-users+subscribe@googlegroups.com and following the instructions that will be sent to you.

Contributing to Django

Contribute to the development of Django itself.
Before asking a question about how to contribute, read Contributing to Django. Many frequently asked questions are answered there.

You can also subscribe by sending an email to django-developers+subscribe@googlegroups.com and following the instructions that will be sent to you.

We have a few other specialized lists (mentorship, i18n, ...). You can find more information about them in our mailing list documentation.
